Brookfield Primary School

Our Home School Agreement

Brookfield Primary School

Welcome to Brookfield Primary School, a vibrant, diverse and creative learning community at the heart of Camden.

At Brookfield, we want every child to feel known, valued and inspired to achieve their very best. We believe that children flourish when school and home work together, sharing high expectations and a commitment to making each child's experience of education rich, rewarding and full of possibility.

Our **School–Home Agreement** reflects this partnership. It sets out the shared commitment of our children, families and staff to learning, wellbeing and our school community.

At the heart of this are our Brookfield values: we are **creative** and **curious**, we take **responsibility,** and we rise to a **challenge**. These values shape how we learn, how we treat one another and how we contribute to our community.

The agreement sets out what you can expect from us as a school, what we ask of our families, and what we expect from our young people as they grow into confident, independent and responsible learners. Each of us has an important part to play.

A successful education is a shared endeavour. By working together—staff, families and young people—we create a supportive community where every child can thrive, embrace challenges and fulfil their potential.

Our Values

In our Brookfield Community:

We are **creative**
We are **curious**
We take **responsibility**
We rise to a **challenge**

We want every child to feel connected, valued and included in our Brookfield community. Our values guide how we learn, how we treat one another and how we contribute to our school.

We are **creative and curious**. We ask questions, explore new ideas and approach learning with enthusiasm.

We **take responsibility**. We understand that our choices matter and take responsibility for our learning, our actions and the contribution we make to our community.

We **rise to challenges**. We show courage and resilience, learn from mistakes and keep going when things are difficult. Together, these values help us create a community where children feel they belong, grow in confidence and are supported to achieve their best.

By joining Brookfield, you are joining a team of educators, families and children all working together!

The Role of the School

Brookfield will:

Help every child to belong by creating a warm, welcoming environment where children are known, valued and included.

Promote strong attendance and punctuality so that children can take part fully in learning, relationships and the wider life of the school.

Build positive relationships with families so that communication is open, respectful and rooted in trust.

Champion equity for everyone by noticing barriers early and responding fairly to children's different needs and circumstances.

Maintain high expectations and achievement for all so that every child is supported, challenged and helped to succeed.

Provide timely support for learning, personal development and wellbeing so that children grow in confidence, resilience and independence.

Enable full participation in school life through access to enrichment, responsibilities, leadership, trips, clubs and wider opportunities.

Help children to thrive and make a difference by ensuring they feel safe, respected, heard and able to contribute positively to the school community.

Name: _____

The Role of the Family

As part of the Brookfield Community, families will:

Help our child to feel that they belong by speaking positively about school and reinforcing that they are a valued part of the Brookfield community.

Support excellent attendance and punctuality by making sure our child attends school every day unless they are too unwell to do so, and arrives on time ready to learn.

Work in partnership with school by communicating openly and respectfully when concerns or difficulties arise.

Support equity and inclusion by sharing concerns early and helping school understand any barriers that may affect attendance, learning or wellbeing.

Encourage achievement and effort by valuing learning, celebrating progress and helping our child to aim high.

Support personal development and wellbeing by helping our child build good routines, confidence, resilience and healthy habits.

Encourage our child to join in fully with the wider life of the school, including events, opportunities, responsibilities and experiences that help them grow.

Help our child to thrive and make a difference by reminding them that their presence, participation and choices matter and they are able to contribute positively to the school community.

Name: _____

The Role of the Child

As part of the Brookfield Community, children will:

Come to school ready to belong by being kind, joining in and remembering that they are an important part of the school community.

Attend regularly and arrive on time so that they can learn, take part and make the most of each day.

Build positive relationships by treating others with kindness, honesty and respect.

Try their very best and aim high so that they can achieve and feel proud of their progress.

Ask for help when they need it so that they can keep learning and overcome difficulties.

Look after their wellbeing and the wellbeing of others by making positive choices and speaking to an adult when something feels wrong.

Take part in opportunities beyond lessons so that they can grow in confidence, interests and independence.

Make a difference by using their voice, helping others and contributing positively to school life.

Being School Ready

Starting Reception is an exciting milestone. You can help your child feel ready by talking positively about school, encouraging independence and helping them understand what it means to be part of a classroom community. Take some time to look through the pictures below together and talk about the positive behaviours they show. These are the behaviours we will notice, encourage and celebrate as children settle into school. Using the same language and expectations at home will help your child feel confident, secure and ready to learn.
